Happy are the poor in spirit 	Happy are the gentle 	They will be shown mercy 	They shall be comforted 
Happy are those who mourn 	Happy are those who hunger and thirst for what is right 	They shall see God 	Theirs is the kingdom of heaven 
Happy are the merciful 	Happy are the pure in heart 	They will be called children of God 	They shall be satisfied 
Happy are the peacemakers 	Happy are the persecuted for what is right 	They shall inherit the earth 	The kingdom of heaven is theirs
