Mary is Taken Up to Heaven

The Assumption of the Blessed Virgin Mary.

Today we celebrate the 'Assumption' of Mary, Our Lady and the blessed Mother of God's Son. But what does that word 'assumption' mean?

It means that Mary was taken, body and soul, up into Heaven, where she lives in the presence of God. We know this through the wisdom and knowledge given to various Popes and many other holy people, but there is not much written about it in the bible. So we don't know if Mary died here on earth, before being taken up into Heaven, or whether she was taken up into heaven alive. Either way, it was a very special gift given to her, and was only given because she was so special.

So what makes Mary so very special? Her life – like that of every Christian – was a journey of following Jesus. Today we know that she is a very important friend to us, praying for us and accompanying us on our journey. She helps us to find our way to her son, Jesus, and Jesus – as we know – is the only one who can then help us find our way back to God. Just like Jesus, Mary was born without sin, and remained sinless throughout her whole life. That means that she always chose to do God's will, always deciding to do what God wanted her to do, not what she wanted to do. The only other person to be born sinless was John the Baptist.

In today's Gospel, we hear what Mary did after she had been visited by the Angel Gabriel. The Angel Gabriel had told her that her cousin, Elizabeth, was also expecting a child (John the Baptist) even though Elizabeth was very old. On hearing the news from the angel, Mary immediately went on a long journey to visit Elizabeth, where she stayed for 3 months.
